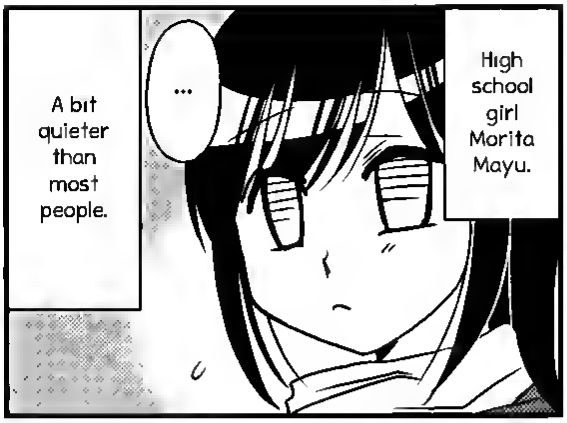
Ah.
What's it this time? Dad usually gets home late, so why?
agonize
agonize
Stop

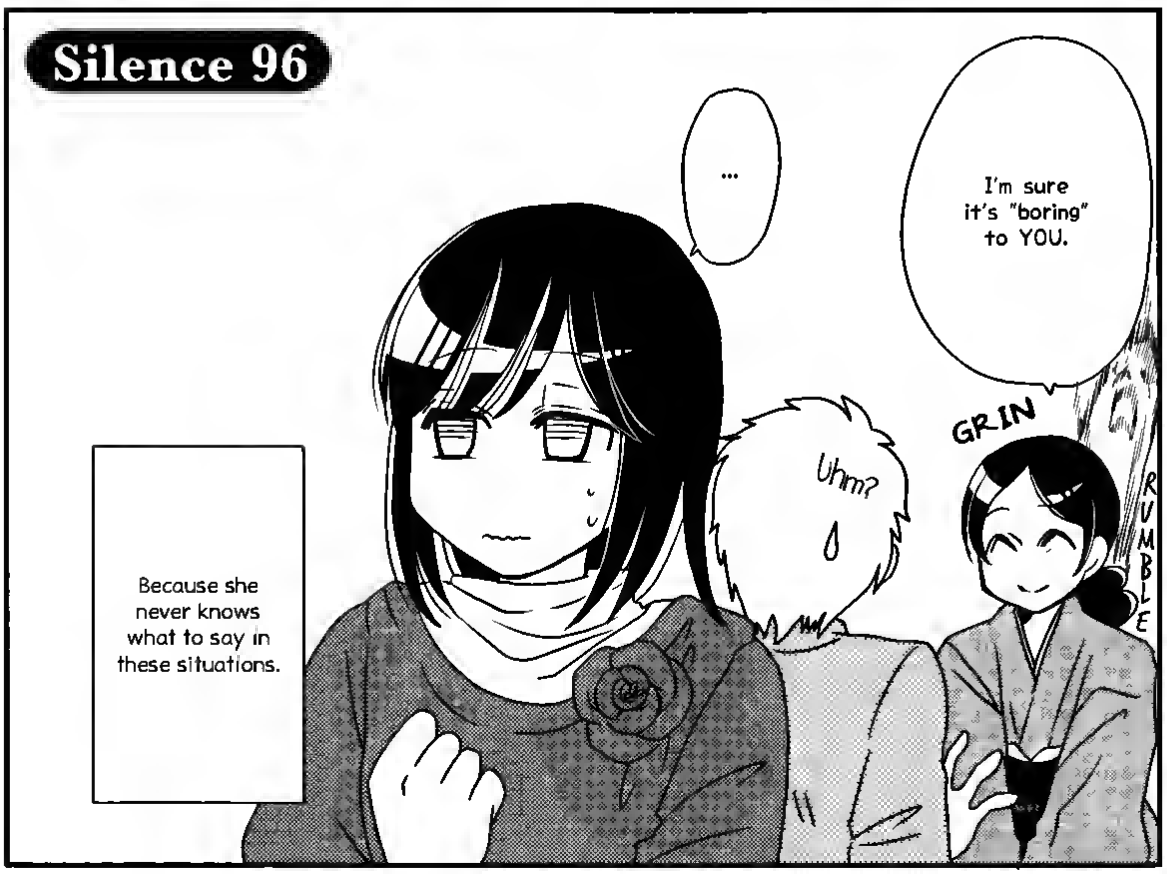


A bit quieter than most people.
...
High school girl Morita Mayu.

Right.
Right, Hom?
D-don't worry. We were just arguing over boring stuff.

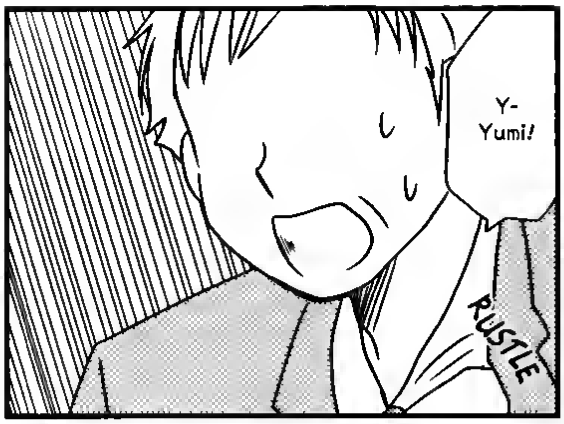
Are they fighting again...?

Silence 96



...
I'm sure it's "boring" to YOU.
GRIN
Uhm?
RUMBLE
Because she never knows what to say in these situations.

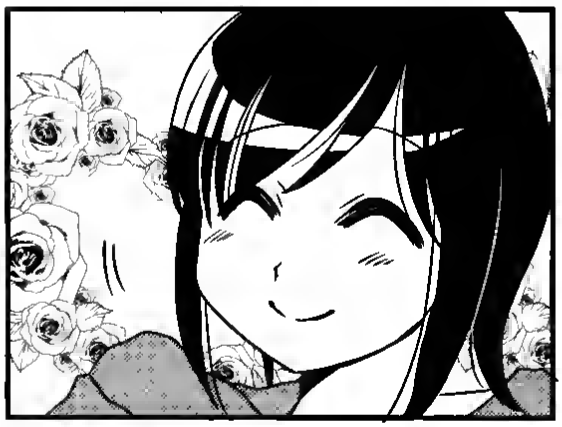
I don't know how they settled it, but they left on good terms.
Snacks are in the fridge
Lock up properly



Y-Yumi!
RUSTLE

Take care, you got the house all to yourself.

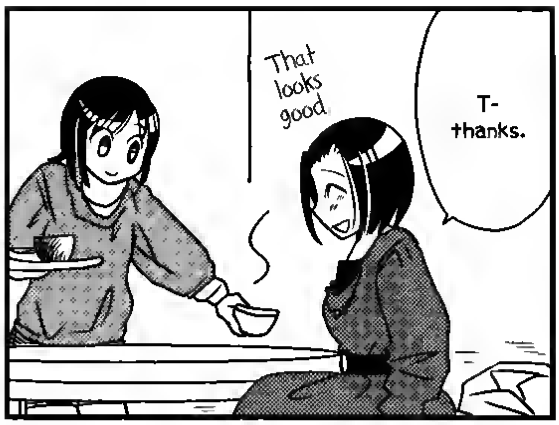
Mayu will have to stay at home unfortunately
Let's go there together!
I won a prize at the year-end party!
Onsen Pair Ticket



Dear...

How she emphasized all like it's a big deal.
They still treat me like a kid.

The reason for the fight was the many year-end parties.
There's no way I can get out of them.
...
You've been going to these for over ten years, right?
About time you won something



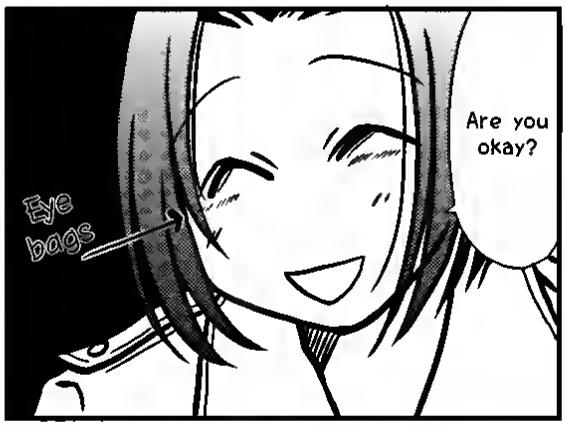
That looks good
T-thanks.

Ding Dong

I don't want to see her drunk
I brought some
Mind if I have a drink with that?

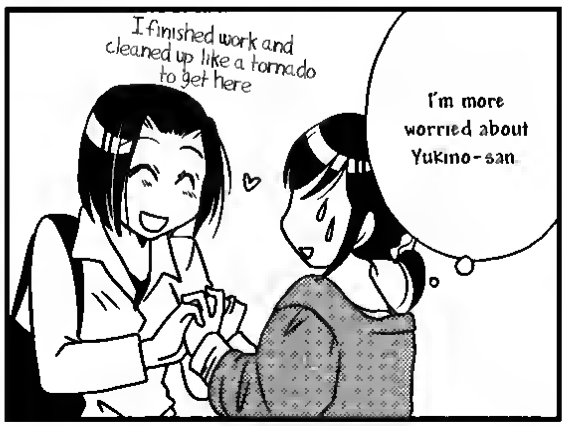
Yumi-san e-mailed me
I was worried so I came to check on you.

Nourishing
Medicinal
Youmei Sake
Avoid when fatigued and keep to daily dosage limits

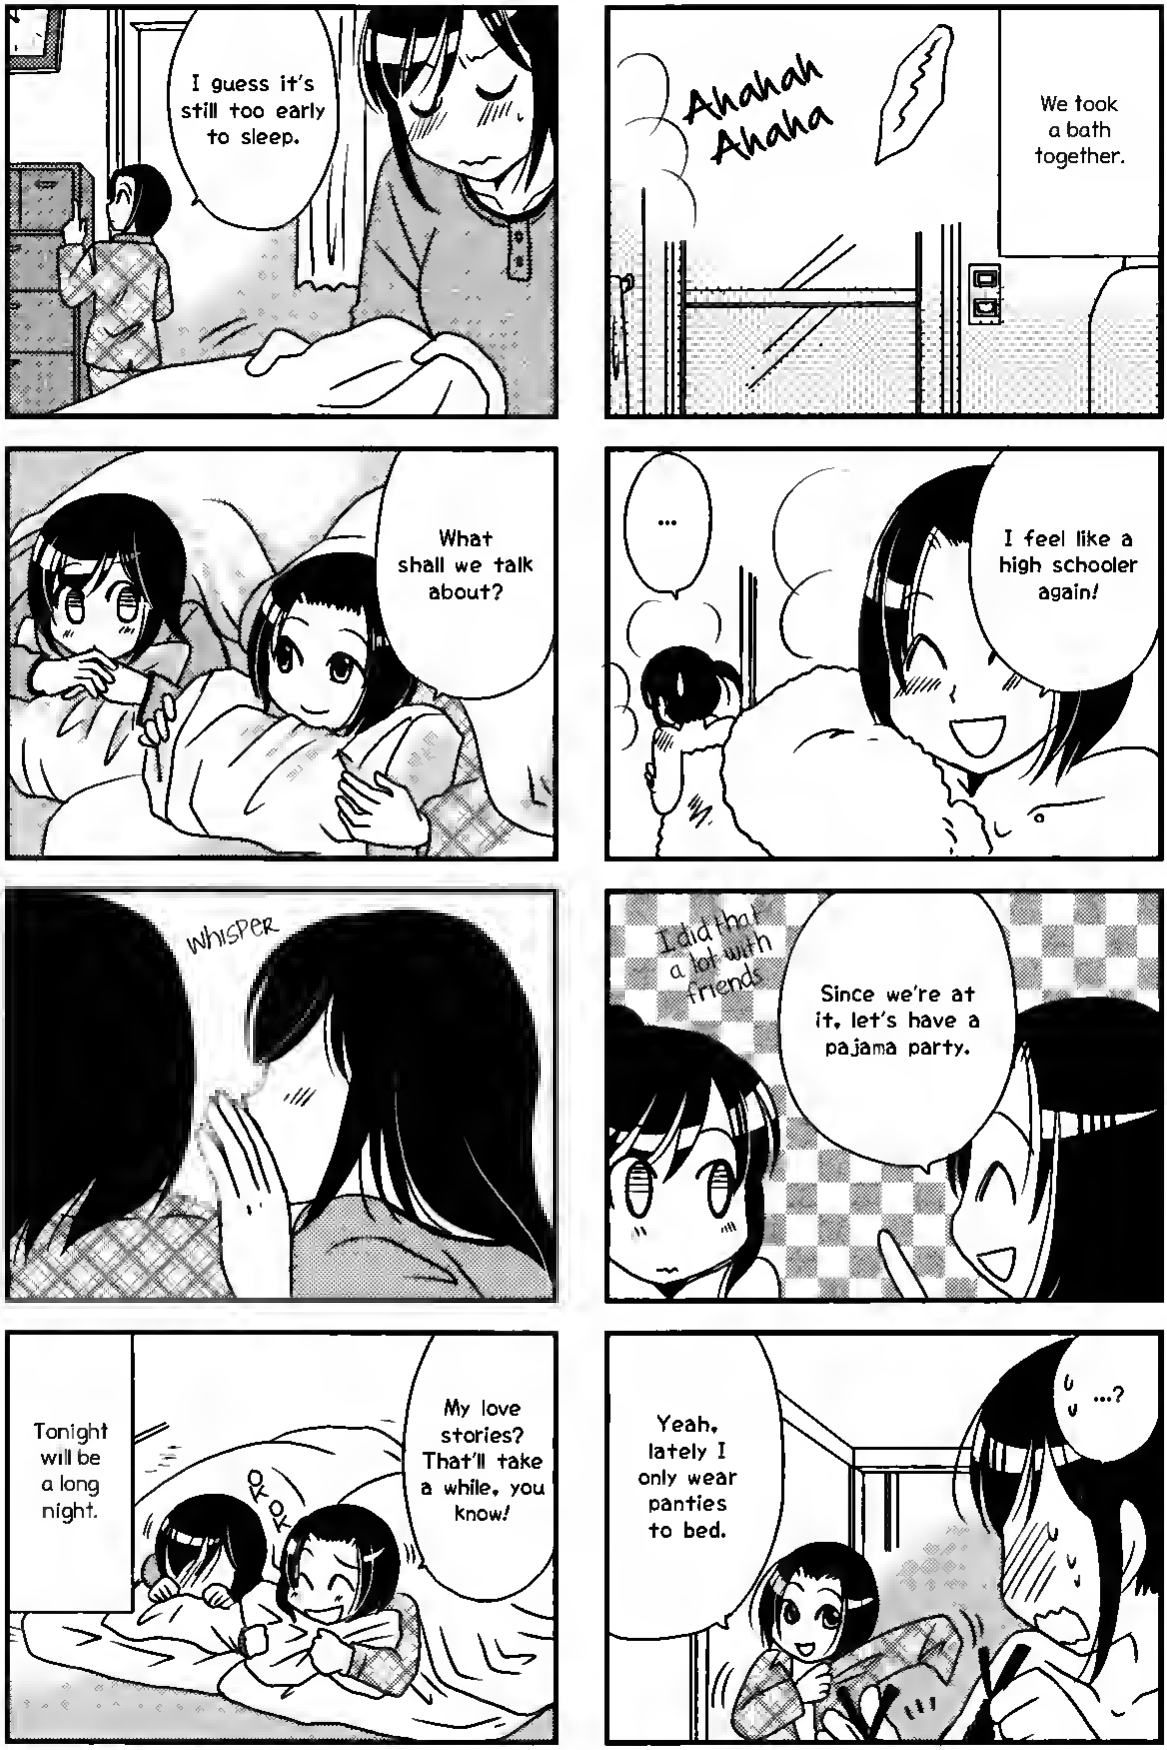


Eye bags
Are you okay?

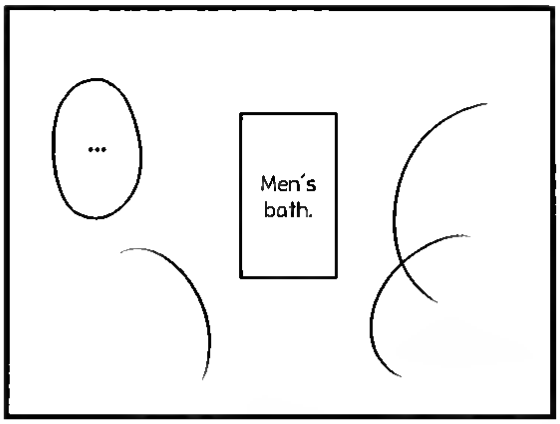
Why are you apologizing?
...



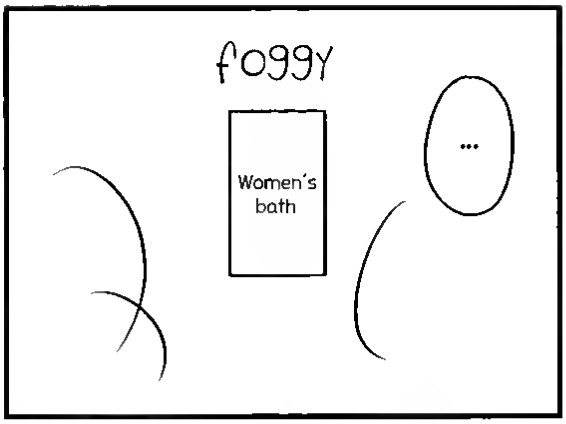
I finished work and cleaned up like a tornado to get here
I'm more worried about Yukino-san



I guess it's still too early to sleep.
Ahahah Ahaha
We took a bath together.
What shall we talk about?
...
I feel like a high schooler again!
WHISPER
I did that a lot with friends
Since we're at it, let's have a pajama party.
Tonight will be a long night.
OK OK
My love stories? That'll take a while, you know!
Yeah, lately I only wear panties to bed.
...?

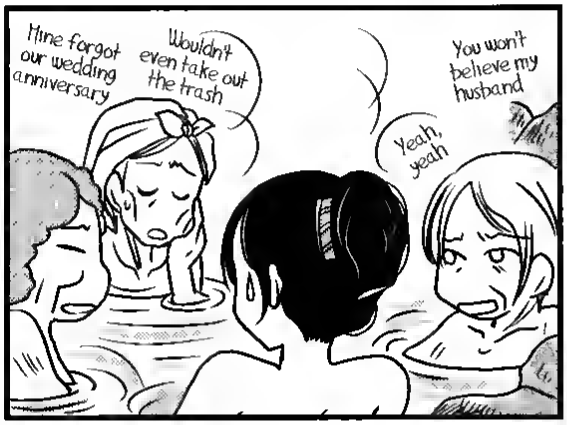


...
Men's bath.



foggy
Women's bath
...

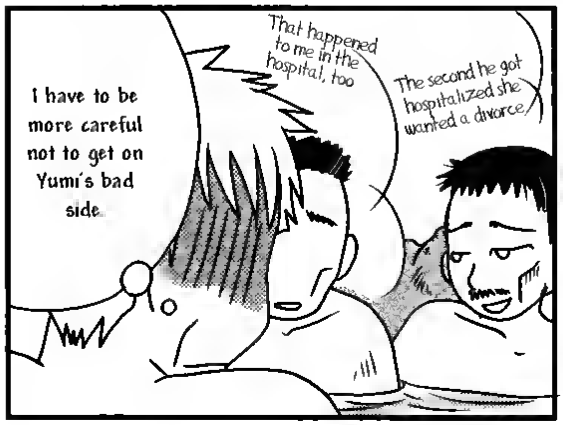
Hospital waits can be so painfully long
It's been cut so many times in surgery
My wife had to drive me here
My hips really hurt



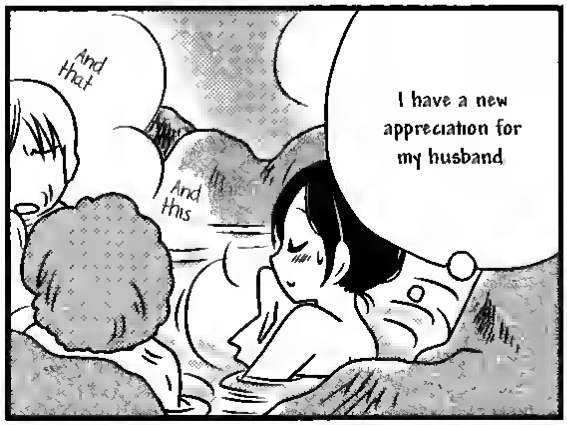
Mine forgot our wedding anniversary
Wouldn't even take out the trash
You won't believe my husband
Yeah, yeah

Hearing these stories...

Hearing these stories...

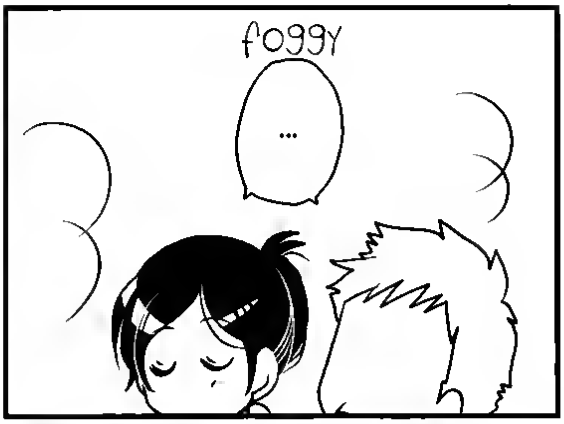


I have to be more careful not to get on Yumi's bad side.
That happened to me in the hospital, too
The second he got hospitalized she wanted a divorce.



And that
And this
I have a new appreciation for my husband.

shining
We're back.
sparkle
Onsen Manjuu

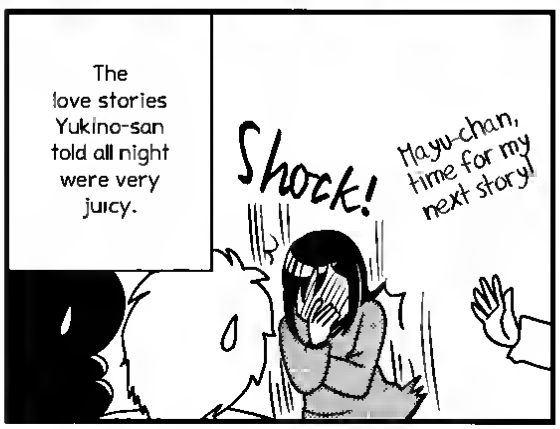


foggy
...

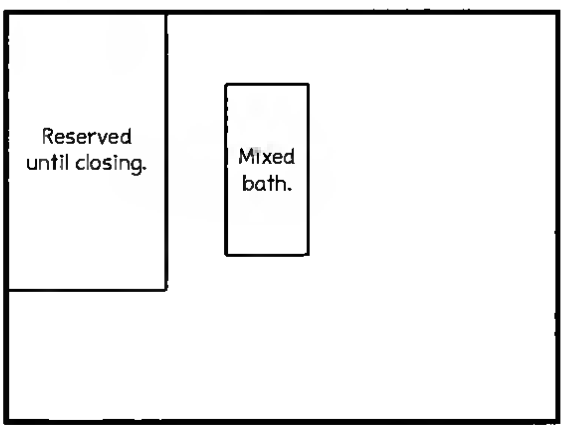
It's quiet here.

Did some-thing happen?
W-what's wrong?

It's just us now.



The love stories Yukino-san told all night were very juicy.
Shock!
Mayu-chan, time for my next story!



Reserved until closing.
Mixed bath.
